Woodbridge Amateur Radio Club

Minutes for General Meeting on Repeater

- Call to Order at 7:30pm
- Round of introductions (Roll Call by Net Control of Stations who have checked in. List of attendees is located at the bottom of these minutes)
- President's Report – Butch Ayres K4UTK
 - Monday Night Net – The club holds a weekly Net on the Club repeaters each Monday at 8:00pm. All Amateur Radio Operators are welcome.
 - Club Activities During Virus Lockdown – Due to the current COVID-19 response, all club meet-ups are cancelled for further notice. This includes the Friday Lunches and Saturday Breakfasts.
- Committee Reports
 - Treasurer's Report - Rob Williams KJ4LWN – Rob provided the Treasurer's Report after the meeting but the club continues to remain the “black”. The only outlays last month were the utilities of electric and telephone at the Repeater Shack.
 - Technical Committee / Repeater - Stu Mitchell WA0DYJ – The 220 Machine is currently down, and is being worked on. Stu passed on a big THANKS to Larry Reynolds for his work, painting the Repeater Shack. Three sides have been completed, and the fourth side is pending cooperation of the weather. Stu2 is just about done with the metering tools for the repeater, which will allow the repeaters statistics to be seen on the club website.
 - Field Day 2020 Stu2 Mitchell W4IY/ Rob Williams KJ4LWN / Paul Otto – Stu briefed on behalf of the Field Day Committee. The current plan is to operate from our standard location, provided the LRPA allows the use of the site under County guidance to the COVID-19 response. If the ball fields are used, they will not be opened to the public, and operators at the field will be expected to follow the COVID-19 safety guidelines. Decision Day for use of the field vs operate from home is 23 Jun. Until then, the club is working on the plans as though the field will be use. Stu2 sent an email, via the Reflector, with open positions are needing to be filled. If you wish to fill any of these slots, or have any additional questions regarding Field Day, please reach out to Stu2, Rob and/or Paul.
 - Website – Larry Bates K0LB – Website was updated with the April Meeting Minutes, and Larry is still accepting photos from past events for publishing to the web.
 - Member Activities - Kathy Lamont KM4TAY – Kathy reported that she had not activities to announce, but did recommend maybe using Zoom for the next meeting (which would allow for presentation during the meeting).
 - Ways and Means - Claude Winters W4MLD – While Claude has a few idea to work on, they are on hold due to the COVID-19 Response. No Report.
- New Business
 - No new Business or Announcements were provided.

Thursday, 21 May, 2020

- Date of Next WARC General Meeting - 18 June 2020 (possible on Zoom, watch the reflector for additional information as the date gets closer.
- Return to Net Control to close meeting at 7:47pm
